Sub: Sponsor partner for Printers' Day Celebrations, on 2 March 2019, at Hotel Sahara Star, Mumbai.

Dear Mr. Dilip Raka,

Greetings from **Mumbai Mudrak Sangh!**

MMS is Mumbai's premier association of printers, established in 1956 by the then leading printers. MMS strives to bring together the owners of all printing presses, as also to safeguard the interests of the print industry. With a view to working effectively for the benefit of the Print Industry, MMS has broadened its membership base to bring under its banner the entire gamut of the industry in its new *avatar*. This event aims to strengthen the bond between members of the print industry and inspire them to achieve higher standards within the Industry.

Printers' Day celebration has been organized by MMS since 2004, the golden jubilee year of our Association and has acquired remarkable brand equity for the quality and content of the various seminars conducted on these occasions.

We are delighted to inform you that for the year 2019 Mumbai Mudrak Sangh has unanimously decided to confer the "MMS Lifetime Achievement Award" on Mr. Uday C. Patel, Founder, Line O Matic Industries, a rare breed of successful industrialists among the machinery manufacturing fraternity living in Ahmedabad, Gujarat. Mr. Patel is a true visionary and dynamic entrepreneur in the industry who has made the entire country proud by being the pioneer in exercise note book making machinery and paper converting machinery segment. After establishing its leadership in India, under his stewardship, his organization, Line-O-Matic Graphic Industries, today is the most preferred & trusted brand for exercise note book making machinery in the world and having presence in more than 60 countries including Americas, Europe, Africa, Middle East, CIS & Far East countries with 3000 machine installations.

The event will be held on **2nd March, 2019** at Hotel Sahara Star, Vile Parle (E), Mumbai. It will begin at 9.30 am and carry on till dinner.

The first session would be **Power Lunch @ the MMS Round Table**, a meet to discuss and share knowledge on future trends, technology and innovative techniques. The eight round tables also known as Centre's of Competencies will represent the eight verticals from print and packaging industry. The ten members at each round table would be a talent pool comprising of a moderator, a domain expert and seven printers.

In the second session we have Keynote speaker, Padma Shri, Dr. Deepak Phatak, along with Mr. Shriniwas Joshi and Mr. Chandrashekhar Vaze, sharing their experience on various aspects covering topics as Innovation, Indian & world economy and management principles.

The final session would witness the Award for the year 2019 being conferred on Mr. Uday C. Patel, Founder, Line-O-Matic Graphic Industries for his achievements and passionate efforts in the best interest of the print fraternity. The Award will be bestowed in the presence of eminent personalities of the Industry followed by networking dinner.

MMS programs have always brought in a **congregation of elite Printers** not only from Mumbai, but also Thane, Dombivli, Pune, Nagpur, Aurangabad etc. We are expecting above Three hundred participants from the Industry on that day. This would give **Raka Enterprises** a good platform to address the crowd and brand their products.

We request you to give us an early sanction, so that we can go ahead with the nitty-gritty of the preparations. We thank you for eagerly listening to us and hope for an early feedback.

Thanks & Regards,

For **Mumbai Mudrak Sangh**

POWER LUNCH @ MMS ROUND TABLE

CONCEPT OF ROUND TABLE

There would be Round Tables, each pertaining to a particular vertical of Print. Packaging, Commercial Digital, Commercial Offset, Books, Outdoor Media, Labels, Colour Management and Press Standardization. We call them Centres of Competence (CoC). There would be 9-10 members at each table; The machine manufacturer, The Celebrity Printer-Expert, a Moderator and 6 Printers who have looked upto the Celebrity Print Expert and are desirous of meeting them as well as the manufacturing company. With their success it goes without saying that they have acquired the enviable status of Celebrity Printer and there would be many in the print fraternity who would like to have a one to one with them. Questions will be about trends and technologies. Once the group is finalised, the list too shall be shared on whatsapp and email. The questions will not be around costing or clients. On D-Day, the 2nd of March, there will be discussions with the members at each table revolving around these questions and some more spontaneous questions. We believe this close interaction would lead to sharing of knowledge with focused industry experts. This year we have added an hour of Summing up Session by the Print Expert which will then be open to printers for interaction. We cordially invite all to grab this unique opportunity at the Power Lunch @ MMS Round Table. We look forward to your confirmation.

Glimpses of Power Lunch # MMS Round Table

Glimpses of Lifetime Achievement Award 2018

TESTIMONIAL

“

Life Time Achievement Award – LTA and Round Table Conference – RTC are the annual signature events of Mumbai Mudrak Sangh – MMS.

I am fortunate enough to have attended all most all the editions of last decade.

LTA where in a person who has rendered yeoman services to print fraternity is felicitated with spouse in traditional Maharashtrian way, is a very touching and emotional experience which just cannot be described in words. Listening to success story live (which is full of struggles and challenges) from the horses mouth is a unique and genuinely motivational part of the function.

RTC on the other hand is all about sharing, caring and solving complex issues of printing profession in a small group. Juniors share the table with Seniors and Stalwarts of the profession to discuss, share ideas and find out the correct solution. Very effective and result oriented initiative by MMS.

Keep it up Team MMS I will be there with you on March 2' 2019 for sure.

“

Really MMS Round Table was a memorable event, taking a cue we started it at OPA also. Presenting Life Time Award to Mr. C N Ashok, a person who is devoted toward progress of printing industry and is the pioneer printing machinery manufacturer in India is again a praiseworthy step. Bestowing deserving honour to Mrs. Anuradha Prabhudesai, President Lakshya Foundation again was a welcome step. MMS is leading a path to be followed by other printers associations. Only true leaders like, Anand, Tushar, Uday, Medha, Mehul, Prakash etc. can think and plan as MMS is doing, I wish MMS all the success for their events and novel ideas.

Prof. Kamal Chopra
Past President, AIFMP

“

Round Table is a unique interactive session by MMS which helps fellow printers to share knowledge with each other and help them excel in their respective fields. It helps us resolve queries and difficulties which we face in our printing business from guidance provided experts, vendors and machine suppliers. I was lucky to be part of last two round table and gearing for 2019. Thank you Team MMS

The Power Lunch @ the MMS round table was extremely well organized and a great opportunity to have a one on one conversation with like minded people from the printing industry.

The platform provided valuable insight in to the issues faced by all as well as opportunities that could be taken. A big thank you to the organizers of the event.

I was honoured enough to be part of the Packaging MMS Round Table in 2016. It is an innovative concept by the MMS which brings together varied people from the same sector to discuss issues faced by all and how we can collaborate and solve these issues.
